A Note for Parents & Teachers

Thank you for bringing LingoToon off the screen and into little hands!
This workbook is designed as a screen-free companion to your child's video lessons — giving them a hands-on way to practice letters, sounds, and words.

How to use this workbook:

- Let your child trace each guide letter with a pencil or wipe-clean marker.
- Celebrate every finished page with a sticker from the reward sheet.
- Cut out the phonics flashcards and keep them in a pocket for the car, the park, or story time.
- There's no rush — a few minutes a day builds confident little learners.

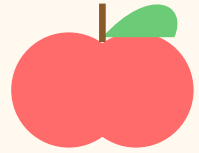

Recommended for ages 5–10.
